# Commemorative Park Sign

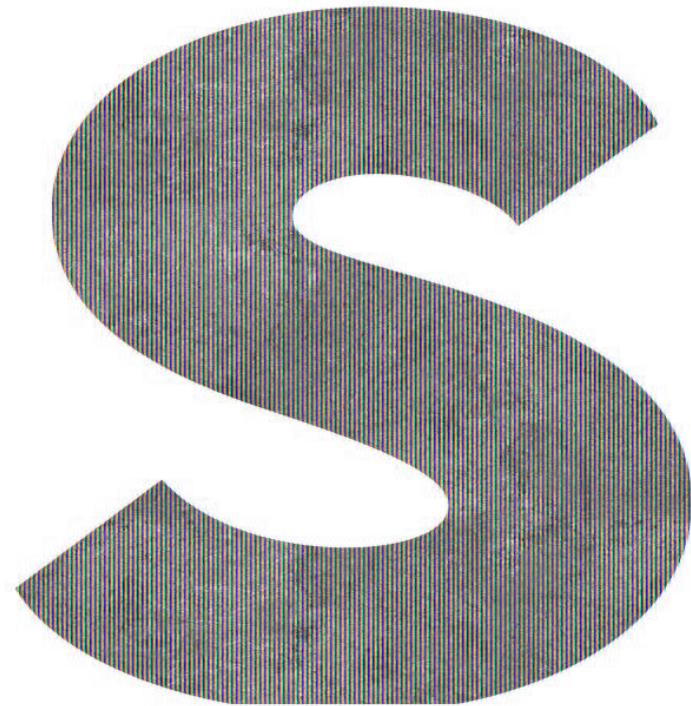

LARGE STANDING LETTER MONUMENT  
RUSTED LETTERING SITTING ON A STU

# Night Time View

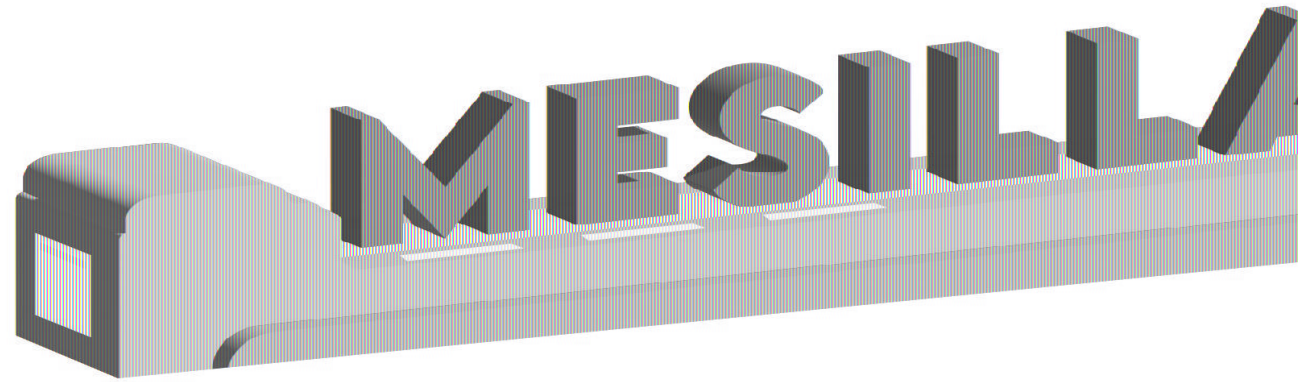

STANDING LETTERS ARE BOTTOM LIT FOR NIGHT  
VISIBILITY WITH COLOR CHANGING LIGHTING FOR HIGH

1/8 INCH METAL FACES WELDED  
TO CHANNEL FRAME 40"

# Location

# Veterans Park Sign & Median Wayfinding

Signs used for consistency

Also looking at having these on both sides of road at all entrances (presently on one side)

# Street Signage

- Street Sign replacement will be included in this as well
  - Brown Signage presently
  - Continue with replacement of brown or possibly have turquoise/blue color for HC/HR?
- Signage is continually budgeted for and will purchased and replaced with proper planning through Public Works
